Part B: Optional Member Waiver to Participate in Vote-by-Mail

This portion of the waiver which refers to the option of voting by electronic or physical mail is for the transaction of Club business. Methods may include US Postal, private postal, courier service, email, or other methods. Unless otherwise specified, this shall be referred to as "Vote-by-Mail" for the remainder of this waiver. Vote-by-Mail *may* be provided to members for specific items for approval by the DPDTC Board. As always, it should be understood that the only way to ensure your vote is counted is to be present at DPDTC monthly meetings and that Vote-by-Mail may be provided to you as a convenience. To be able to participate in Vote-by-Mail, members must opt-in by signing this waiver and indicating that they are willing to accept the following:

1. I acknowledge that Vote-by-Mail includes the risk that my vote may be lost due to technology or through delivery problems, that it may be accidentally exposed, that it may not be counted due to late receipt, or for other reasons that may not be anticipated.
2. I accept the responsibility to ensure that any electronic mail (email) account that I authorize for voting is secure.
3. I may revoke Vote-by-Mail at any time by submitting this form to the DPDTC Secretary with the appropriate option checked.
4. I may always vote in person if I so desire, *unless* I have submitted a secret ballot and that ballot has been received and processed by the Secretary. Once processed, the ballot may not be revoked even if I am present.
5. I understand that Vote-by-Mail is only provided at the sole discretion of the Board for the convenience of its members.
6. My choosing to accept or reject Vote-by-Mail has no bearing on my standing in the club.
